

Portraits costs

Fees are subject to change

Fees are good for 30 days from any contracted commission. Fees are locked at current rates upon 50% down payment.

- Black and White Charcoal or graphite Portraits are 1/3 the price of Oils
- **Prices do not include framing.**
- **Each additional figure on one canvas: Add 75%** to prices listed.
 - Smaller and/or different sizes can be created, priced by square inch appropriately.

A 1/2 deposit of the total portrait fee is required to start the portrait procedure.

The balance, including all additional expenses (framing, travel, crating, shipping and handling, applicable etc.) is due COD — upon delivery of the portrait. Invoice provided.

- Travel, reasonable lodging, and meal expenses are additional when it is appropriate.
- **Sizes are shown in USA inches.** For centimeters, multiply each dimension by 2.54.

Upgrades

The prices listed below are for my intuitive style of portrait painting, where backgrounds are usually painted impressionistically, or somewhat abstract and painterly. On occasion, the setting into which the final painting will be hung suggests a more realistic background.

Where the background in the painting is requested to be realistic, add 75% of the listed price (or simply multiply the price by 1.75).
